Code Red

It is important that all District of Lakeland ratepayers register for our FREE CodeRED emergency notification system.

Whether you are a full time resident, or seasonal, we can keep you and your family informed about emergency situations in our community.

To receive emergency notifications from CodeRED you must subscribe to the service.

But, it is easy to create a profile!

Just go to our website (www.lakeland521.ca) and follow the easy instructions.

- Full time residents, register your family so they keep abreast of emergencies that may impact you.
- Seasonal residents, stay up to date on emergency situations that may impact your property.

Only 1 profile is required per household. CodeRED allows you to add multiple people and preferred communication methods such as home/work/cell/text phone #'s and email addresses.

CodeRED subscriber information is secure and not shared. Messages are launched from the District of Lakeland and can be used in events such as: winter/summer storms, extended power outages and for emergency instructions such as evacuation notices and routes.
