

## District of Lakeland Spring Newsletter

As always, you can view our most up-to-date policies on our website [here](#).

LDPS is looking to hire a full-time Peace Officer (Special Constable). If you or someone you know is interested, you can direct them to the [job posting here on our website](#). Application packages must be received on or before 3:00pm on March 12, 2020. Please read the **full application package** and follow the instructions.

Carbon monoxide (CO) is odourless, colourless, tasteless, non-irritating, poisonous — and deadly. You can follow [SaskPower's](#) advice for watching for signs in your home and how to prevent high exposure... but keep in mind CO can build up in enclosed spaces outside of your home as well. Idling vehicles, kerosene lighters, generators, propane heaters, barbecues, etc. can cause buildups in garages, ice shacks, and other enclosed spaces.

Check the batteries in your smoke and CO detectors checked according to manufacturer's specifications.

## Pre-Authorized Debit

If you missed the deadline to start automatic payments on your taxes for 2020, you can still register! Your remaining balance for 2020s taxes will be divided by the remaining months. Penalties and discounts are removed from the equation, you won't be penalized for your last payments of the year.

[Read our FAQ and download the form to sign up here.](#)

## 2020 Taxes

The tax levy won't be done until May or June, and taxes are not due until December 31st, 2020. **However**, if paid by the end of this month, you get a 3% discount on the municipal portion! Give the office a call to find out the amount based on last year's tax levy. Taxes are payable by cheque, debit card, cash, e-transfer, or through your bank with BMO, Scotiabank, and any Credit Union. **Penalties start after August 31st 2020.**

## Cleaning Up Snow

Public Works is asking our ratepayers to not dump snow from their yards onto the roads, in the back alleys, and especially don't dump snow onto your neighbours' private properties.

If snow is found dumped in the back alley or road in front of your property, you may be charged a cleanup fee.

There are snow dumps in the District of Lakeland located at Bell's Beach at the parking lot across the road (where the bear-proof bins are), the west side of the Anglin Lake fire hall, and the Transfer Station (south end of Landfill Road).

## Transfer Station

**For the winter, the transfer station was moved up to the shop**, though the road to the lagoon/snow dump is still open. To reach the transfer station, take the first left turn while travelling down that road. **Current hours are Monday, Wednesday, Friday, and Saturday 10am-4pm.**

# Please call us to update your mailing address!

If you have moved recently, please give us a call or e-mail us to update your address! You may have already informed ISC, but we need to be notified separately.

District of Lakeland No. 521
