1. INTRODUCTION

1.1 Title

This bylaw shall be known as the Zoning Bylaw of the District of Lakeland. Where the words “Rural Municipality of Lakeland No. 521” or “RM of Lakeland No. 521” appear in this bylaw they shall be deemed to mean District of Lakeland. Where the terms “Municipality” and “Rural Municipal Administrator” appears in this bylaw they shall be deemed to mean “District” and “District Administrator” respectively.

1.2 Scope

All development within the limits of the Municipality shall be in conformity with the provisions of this Bylaw.

1.3 Purpose

This is a Bylaw to control the use and development of the land in the municipality and assist in implementing the Official Community Plan (formerly known as the Development Plan). The term “Development Plan” where it appears in this document shall be taken to mean a reference to “Official Community Plan” unless stated explicitly otherwise.

1.4 Severability

If any part of this Bylaw, including anything shown on the zoning district map, is declared to be invalid for any reason, by an authority of competent jurisdiction, that decision shall not affect the validity of the Bylaw as a whole, or any other part, section or provision of this Bylaw.

2. DEFINITIONS

Whenever in this Bylaw the following words or terms are used, they shall, unless the context otherwise provides be held to have the following meaning:

Accessory Building or Use - a building or use which:

- (a) is subordinate to and serves the principal building or principal use;
- (b) is subordinate in area, extent and purpose to the principal building or principal use served;
- (c) contributes to the comfort, convenience or necessity of occupants of the principal building or principal use served; and
- (d) is located on the same site as the principal building or principal use served.

Act - *The Planning and Development Act, 2007* as amended.

Adult Entertainment Facility - premises used in whole or in part for entertainment (including activities, facilities, performances, exhibitions, viewings, or encounters) designed to appeal to eroticism or sexuality and wherein a principal feature or characteristic is the nudity or partial nudity, including suggestive exposure such as through translucent clothing, of any person.

Bylaw 5-2015, 2015.08

Alteration - any structural change or addition made to any building or structure.

Amusement Park - development including go-cart, paint ball and miniature golfing facilities, concessions and arcades, swimming pools, waterslides, batting cages and other similar uses

Ancillary Use - a use that is secondary and subordinate in size, extent and purpose to the principle use on the same site, but is not necessary for the operation of the principal use on that site.

Apartment House - a building divided into three (3) or more dwelling units as herein defined, each of which is occupied or intended to be occupied as a permanent home or residence, as distinct from a hotel or motel, but excluding townhouses and street townhouses as herein defined.

Applicant - a developer or person applying for a development permit under this Bylaw.

Bare Land Condominium - a condominium divided into bare land units, as defined in the Condominium Property Act, 1993.

Bare Land Unit - a bare land unit as defined in the Condominium Property Act, 1993.

Bed and Breakfast Home - A dwelling unit in which the occupants thereof use a portion of the dwelling unit for the purpose of providing, for remuneration, sleeping accommodation and one meal per day to members of the general public, for periods of one week or less, and which:

- (a) the dwelling unit is the principal residence of the person or persons receiving the remuneration and providing the sleeping accommodation and one meal per day; and
- (b) the meal which is provided is served before noon.

3. ADMINISTRATION

3.1 Development Officer

The District Administrator shall be the Development Officer responsible for the administration this Bylaw. The Administrator may appoint a Development Officer subject to the approval of Council, to whom duties in the administration of the Zoning Bylaw may be delegated.

3.2 Application for a Development Permit

3.2.1 Every person shall obtain a development permit **before** commencing any development within the municipality, except as listed in Section 3.3.

3.2.2 Without limiting the generality of 3.2.1, a development permit will be required for:

- (1) Forestry and forest management activities on non-provincial forest land.
- (2) Fences and retaining walls.
- (3) Lighting fixtures and equipment.
- (4) Private sewage disposal tanks and facilities.

3.3 Development Not Requiring a Permit

3.3.1 Developments which **do not** require a development permit include:

- (1) Public Works: Any operation for the purposes of inspecting, repairing, or renewing sewers, mains, cables, pipes, wires, tracks or similar public works as required by a public utility, and the installation of service connections to property in the municipality. **Note**: a permit is required for the installation of new transmission lines.
- (2) Municipal Facilities: Any facility installed and operated by the Municipality.
- (3) Signs: Subject to the provisions of Section 4.10 of this Bylaw.
- (4) Docks: The placement of docks shall not require a development permit under this bylaw but shall require a licence under Bylaw No. 6-2013, "A Bylaw for the Control, Regulation and Use of Marinas, Docks and Boat Lifts."

Bylaw 5-2015, 2015.08

- (5) Trapping: Trapping does not require a development permit.

- (6) Forestry and Forest Management on Provincial Forest Land: Forestry and forest management on provincial forest land does not require a development permit.

3.3.2 Development listed in Section 3.3.1 must be allowed in the district in which they are proposed to be located and must comply with the regulations of this Bylaw.

3.4 Application Requirements

3.4.1 Every application for a development permit and a discretionary use approval, except for an application for: a home-based business, a change in use only, a fence, lighting fixtures and equipment, a development that does not include any buildings or changing of site grades, and an accessory building less than 9.3m² in area, shall be accompanied by the following:

Bylaw 5-2015, 2015.08

- (1) The name, address and telephone number of the applicant and property owner and the complete legal description of the subject property.
- (2) The Development Officer may require, as a condition of an approved development permit, that the proponent furnish a Real Property Report (RPR), prepared by a Saskatchewan Land Surveyor, to confirm the location of completed foundation work for the proposed development in accordance with the requirements of the zoning bylaw, prior to the issuance of the building permit. This provision may not apply to the issuance of a development permit approval for a proposed development in the RF – Rural Forest District.

An RPR may be required at the discretion of the Development Officer as part of the development permit application to provide the following information:

- (a) Contour lines at 1meter intervals for sites on which the slope of the proposed building site is greater than 10% and for sites adjoining a water body. The requirement for site contour information shall not apply for development of a site that does not involve changes to site grades.
- (b) For site adjoining a water body, the RPR shall show the bank of the water body and the water elevation at the date of the survey.

Bylaw 5-2015, 2015.08

- (3) A site plan drawn to scale with a north arrow showing the following information:
- (a) The location of adjacent streets and utilities and the proposed access to the site.
 - (b) The location and dimension of proposed new buildings and structures or proposed additions to existing buildings or structures showing conformity to all required front, side and rear yard building setback and site coverage requirements.
 - (c) The proposed method and location of on-site sewage disposal and all utility lines and facilities associated with the proposed building construction.
 - (d) The location of existing vegetation to be retained and all hard and soft landscaping development proposed for the site in accordance with Section 4.16 herein.
 - (e) The plan must illustrate how site drainage will occur and demonstrate that proposed site development will be undertaken in a manner to ensure that surface drainage will not adversely affect adjacent property.

The site plan may be prepared by the applicant for the development permit.

- (4) An approval of an application for a development permit shall be issued on the condition that the applicant furnish a Real Property Report (RPR) to confirm the completion of development and compliance with all the requirements of the approval and the bylaw. The RPR shall illustrate:
- (a) contour information to show the finished building grade and to confirm the manner of site drainage.
 - (b) compliance with any prescribed condition in the approval of a development permit, including the condition that a previously existing dwelling or structure being replaced by new development be removed from the site.

Bylaw 6-2016, 2016.07

3.4.2 For certain developments or discretionary uses, additional information shall be required in support of the application, as follows:

- (1) The applicant for a development permit for a mobile home court, campground, tourism base camp, tourist camp, outfitter base camp, trailer court or institutional camp shall provide the Development Officer with a plan of the site, identifying any buildings, uses of land and the location of all roadways, buildings, structures, mobile home sites and campsites with dimensions. The addition or rearrangement of sites or accommodation facilities, the construction or moving of buildings, material changes in use of portions of land, or the filling

or clearing of land shall require a development permit, and the applicant shall submit for approval an amended plan incorporating the proposed development.

- (2) An applicant for a discretionary use approval may be required to provide documentation, to Council's satisfaction, as specified in the District Official Community Plan and documentation that the locational criteria set out in the District Official Community Plan are satisfied.

Bylaw 5-2015, 2015.08

- (3) An applicant for a discretionary use approval for a public work in the form of a solid or liquid waste management or disposal facility shall provide documentation, to Council's satisfaction the distances to the nearest land uses, development types and municipal limits, whether within the Municipality or within an adjacent municipality, listed in Table 5-1 of the District Official Community Plan and measured as specified in the notes to that table (refer to Section 5.3(8) of the District Official Community Plan).

Bylaw 5-2015, 2015.08

- (5) An applicant for a discretionary use approval for forestry and forest management activities on non-provincial forest land may be required to submit a woodlot / forest management plan prepared by an accredited professional forester.

3.5 Development Permit Application Process

3.5.1 The Development Officer shall review all applications for completeness and shall inform an applicant whose application is not complete, of the information or documentation required to complete the application, and that the application will not be considered until it is complete.

3.5.2 The Development Officer may submit any application to Council for a decision on the interpretation of the Bylaw, or on special conditions provided in the Bylaw, and shall inform the applicant of this action. Council or the Development Officer may require the applicant to provide such further information as may be required to make a decision.

3.5.3 Upon completion of the review of a complete application for development, the Development Officer shall issue a development permit for a development that complies in all respects with the requirements of this Zoning Bylaw, the District Building Bylaw, the District Official Community Plan and The Act.

Bylaw 5-2015, 2015.08

3.5.4 Where an application is made for a development permit with respect to a development for a discretionary use which has been approved by Council, the Development Officer shall issue a development permit subject to any

specified development standards prescribed by Council pursuant to Section 56(3) of *The Act*.

- 3.5.5 Every decision of the Development Officer with respect to an application for a development permit shall be in writing and a copy of the decision shall be sent to the applicant.
- 3.5.6 The Development Officer may revoke a development permit where:
- (1) the development permit has been issued in error; or
 - (2) an approved development is not being developed or operated in accordance with the provisions of this Zoning Bylaw, or in accordance with the standards and conditions specified in the development permit.
- 3.5.7 The Development Officer shall give the reasons for denying or revoking a development permit.

3.6 Discretionary Use Applications

3.6.1 Discretionary Use Application Process

- (1) The following procedures shall apply to discretionary use applications:
 - (a) The Development Officer shall review all applications for completeness and shall inform an applicant whose application is not complete, of the information or documentation required to complete the application, and that the application will not be considered until it is complete.
 - (b) The application will be reviewed by the Development Officer for conformance with the District Official Community Plan, this Zoning Bylaw and any other applicable policies and regulations, and will refer the application, along with a written report documenting the results of the review, to Council.

Bylaw 5-2015, 2015.08
 - (c) Council will review the application and Development Officer's report and may request comments or information from other government agencies to assist in Council's review of the application, where appropriate.
 - (d) When Council has received requested comments or information from other agencies, the Development Officer

shall set a date, time and location of the Council meeting at which the application will be considered.

- (e) The Development Officer shall mail a notice of the application to the assessed owner of each property within 75 metres of the subject property.
- (f) The notice described in (e) above shall describe the use applied for, describe the location of the use and specify the date, time and location of the Council meeting at which the application will be considered.
- (g) The notice described in (e) above shall be mailed no less than two weeks prior to the date of the Council meeting at which the application will be considered.
- (h) In addition to the requirements set out in (e) above, the Development Officer shall advertise the proposed discretionary use by mailing a copy of a notice of the application to the assessed owner of each property within 1.6 kilometres of the proposed discretionary use for the following uses:
 - (i) kennels, boarding or breeding. *Bylaw 8-2016, 2016.08*
 - (h) tattoo/art studio *Bylaw 1-2019, 2020.07*

3.6.2 Discretionary Use Evaluation Criteria

- (1) Discretionary uses, discretionary forms of development, and associated accessory uses shall conform to the development standards and applicable provisions of the zoning district in which they are located. For the purposes of this Section, applications shall be deemed to conform with the yard, open space and other requirements of the district where such requirements are met as a result of a decision of the Development Appeals Board or Saskatchewan Municipal Board Planning Appeals Committee.
- (2) The following objectives must be considered in the review of discretionary use applications:
 - (a) the proposal must be in conformance with all relevant sections of the District Official Community Plan and Zoning Bylaw. *Bylaw 5-2015, 2015.08*

- (b) there must be a demand for the proposed use in the Rural Municipality, and a limited supply of land currently available in the Rural Municipality capable of accommodating the proposed use.
- (c) the proposal must be capable of being economically serviced by community infrastructure including roadways, water and sewer services, solid waste disposal, parks, schools, and other utilities and community facilities.
- (d) the proposal must not be detrimental to the health, safety, convenience or general welfare of persons residing or working in the vicinity or injurious to property, improvements or potential development in the vicinity.

3.6.3 Terms and Conditions for Discretionary Use Approvals

- (1) In approving a discretionary use application, Council may prescribe specific development standards with respect to that use or form of development, provided those standards are necessary to secure the following objectives:
 - (a) the proposal, including the nature of the proposed site, the size, shape and arrangement of buildings, and the placement and arrangement of lighting and signs, must be generally compatible with the height, scale, setbacks and design of buildings in the surrounding area, and with land uses in the general area, including safeguards to prevent noise, glare, dust, or odour from affecting nearby properties.
 - (b) the proposal must provide adequate access and circulation for the pedestrian and vehicle traffic generated, as well as providing an adequate supply of on-site parking and loading spaces.
- (2) Council may approve discretionary use applications for a limited period of time where it is considered important to monitor and re-evaluate the proposal and its conformance with the objectives of this Bylaw.
- (3) Council's approval of a discretionary use application is valid for a period of 12 months from the date of the approval. If the proposed use or proposed form of development has not commenced within that time, the approval shall no longer be valid. The Development Officer shall advise the applicant and Council when a prior approval is no longer valid.

- (4) Council may direct that a discretionary use permit extension be granted for an additional 12-month period by the Development Officer.
- (5) If an approved discretionary use or form of development ceases to operate for a period of six (6) months or more, the discretionary use approval shall no longer be valid. The Development Officer shall advise the owner and Council when a prior approval is no longer valid.

3.7 Validity of a Development Permit and Building Permit

3.7.1 Development Permit Invalid

The effective period for a development permit is 12 months but may be extended for an additional 12-month period by the Development Officer upon payment of the prescribed fee by the District. A development permit shall be automatically invalid and development shall cease, as the case may be:

Bylaw 5-2015, 2015.08

- (1) if the proposed development is not commenced within 12 months from the permit issuance date, or
- (2) if the proposed development is discontinued, for a period of 12 or more months or
- (3) when development is undertaken in contravention of a development permit, specified development standards, or other provisions of this bylaw.

Bylaw 6-2016, 2016.07

3.7.2 Building Permit Invalid

- (1) A building permit shall not be issued unless a development permit, where required, has been granted and any condition of said development permit has been met to the satisfaction of the Development Officer.
- (2) If a development permit is deemed invalid, a new building permit is required in conjunction with the issuance of a replacement development permit. An extension of a building permit may be granted in conjunction with an extended development permit if the permit holder applies to the municipality.

Bylaw 5-2015, 2015.08

3.8 Licenses, Permits and Compliance with Other Bylaws

- 3.8.1 Nothing in this Bylaw shall exempt any person from complying with the requirements of a building bylaw or any other bylaw in force within the municipality, or from obtaining permission required by this or any other bylaw in the municipality, the province or the federal government.

3.8.2 Where the provisions in this Bylaw conflict with those of any other municipal, provincial or federal requirement, the higher or more stringent standards shall prevail.

3.8.3 A building permit, where required, shall not be issued for a development unless a required development permit has been issued.

3.9 Amendment of Zoning Bylaw

3.9.1 Any person seeking to amend this Zoning Bylaw may submit an application for such amendment and, upon payment of the required fee, the Development Officer shall refer such application to Council for consideration.

3.9.2 Council may, by resolution, authorize an amendment to the Zoning Bylaw, and that amendment shall be adopted, by bylaw.

3.9.3 Sections 207 - 212 of *The Act*, shall govern the process to be followed with respect to public notice and public participation in the adoption of a bylaw to amend this Zoning Bylaw.

3.10 Development Appeals Board

3.10.1 Council shall appoint a Development Appeals Board in accordance with Sections 49(j) and 213 to 237 of *The Act*.

3.10.2 A person who wishes to appeal to the Board shall, within 30 days of the date of issuance of or refusal to issue a development permit, file a written notice of intention to appeal, and the appeal fee, with the secretary of the Board.

3.10.3 A person whose application for a discretionary use or development has been approved with prescribed development standards may appeal any development standards considered excessive, to the Board.

3.10.4 An appellant shall make the appeal within 30 days of the date of the issuance of, or refusal to issue, a development permit.

3.10.5 Nothing in this section authorizes a person to appeal a decision of the Council:

- (1) refusing to rezone land; or
- (2) rejecting an application for approval of a discretionary use.

3.10.6 In making an appeal to the Development Appeals Board, and hearing such appeal, the provisions of *The Act* shall apply.

3.11 Minor Variances

- 3.11.1 Council may grant a variance of up to 10% of any yard requirement or minimum required distances between buildings for a use that is a permitted use as specified in this Bylaw. All such variances shall be subject to the conditions and granted in accordance with the procedures contained in Section 60 of *The Act*.
- 3.11.2 Council shall maintain a registry of the location and all relevant details of the granting of such variances.

3.12 Fees

3.12.1 Amendment of the Zoning Bylaw - In addition to the application fee, where a person requests Council to amend the Zoning Bylaw, that person shall pay to the municipality a fee equal to the costs associated with the public advertisement of the proposed amendment and the costs associated with providing direct written notice to owners of land that is the subject of the proposed amendment.

3.12.2 Application Fees

- (1) An applicant applying for a development permit or for the reissue of a development permit shall pay an application fee in accordance with the following:

3.13 Zoning by Agreement

A zoning designation which is subject to an agreement entered into pursuant to Section 69 of The Act and Section 23(2) of the North Central Lakelands District Official Community Plan shall be indicated on the Zoning District Map by the addition of the bylaw number authorizing the agreement after the zoning district designation.

Bylaw 6-2016, 2016.07

3.14 Zoning Compliance, Offenses and Penalties

- (1) Pursuant to Section 242 of *The Act*, the Development Officer may inspect any development suspected of contravening *The Act*, or any regulation or bylaw made pursuant to *The Act*. If it is determined that a contravention exists, the Development Officer or such other designated District official may notify the owner in writing and instruct the owner to correct the contravention within a set time period. If for any reason the contravention has not been corrected within that time, the Development Officer may extend the time period or issue a zoning compliance order pursuant to Section 242(4) of *The Act* to achieve bylaw conformance.
- (2) Any person who violates this bylaw is guilty of an offence and liable upon summary conviction, to penalties and subject to an order as stated in Section 243 of *The Act*.

4. GENERAL REGULATIONS

Except as noted, the following regulations shall apply to all Zoning Districts in this Bylaw:

4.1 Frontage on Road

A development permit shall not be issued unless the site intended to be used, or upon which a building or structure is to be erected, abuts, or has frontage on a graded all-weather registered road, or unless satisfactory arrangements have been made with Council for the improvement or building of a road, where required.

4.2 Development on Hazard Lands

4.2.1 Where a proposed development of a building is located on land considered by Council to be potentially hazardous, Council may require the applicant to submit sufficient topographic information to determine if the development will be within 50 metres of any slopes that may be unstable, or within any river or stream flood plain, or other land that may be subject to flooding.

4.2.2 Council may require that before a permit may be issued, the applicant shall submit a report prepared by a professional competent to assess the suitability of the site for a development described in clause (1), and which in the opinion of council, shows that the proposed site and development is suitable with respect to the following where relevant:

- (1) the potential for flooding up to a 1 in 500 flood elevation.
- (2) the potential for slope instability.
- (3) the required mitigation measures for construction on areas of high water tables if any.

4.2.2A Contaminated Soil

Council may require a Phase I environmental assessment and, if warranted, a Phase II environmental assessment where it receives a development permit application for any site with potential soil contamination. The Phase II environmental assessment will determine the need for a remedial plan to identify necessary work to address soil contamination issues. Alternately, it may conclude that site conditions are causing adverse effects which substantiate notification to the appropriate regulatory authority. A final decision respecting the development permit application will be held in abeyance until soil contamination concerns are resolved.

- 4.2.3 Identified actions for hazard avoidance, prevention, mitigation or remedy may be incorporated as conditions to issuance of a development permit. Council shall refuse a permit for any development for which, in council's opinion, the proposed actions are inadequate to address the adverse effects, or will result in excessive municipal costs.

4.3 Building to be Moved

No building shall be moved within, or into, the municipality, without first obtaining a development permit from the Development Officer.

4.4 Waste Disposal

- 4.4.1 Any development or use of land which requires sewage disposal facilities shall be subject to Bylaw 3-2011, a Bylaw to Control the Collection, Storage and Disposal of Waste" as may be amended from time to time and shall require a development permit under this Bylaw. Sewage disposal facilities shall adhere to the following minimum yard requirements:

Bylaw 5-2015, 2015.08

- (a) Side yard: 3 metres (9.8 feet) or as required by the Prince Albert Parkland Health Region pursuant to *The Provincial Plumbing Regulations*.
- (b) Front and Rear Yard: 3 metres (9.8 feet).

- 4.4.2 Any development or use of land which requires sewage disposal facilities shall be subject to the Rural Municipality's Sewage Bylaw No. 5-88 and subsequent amendments thereto.

4.5 Water

No development or use of land shall be permitted where the proposal will adversely affect domestic and municipal water supplies, or where a suitable, potable water supply cannot be furnished to the requirements of the Regional Health Authority and/or the Water Security Agency.

Bylaw 6-2016, 2016.07

4.6 Storage of Chemicals, Fertilizers, and Combustible Materials

The storage of chemicals, fertilizers and combustible materials are subject to the requirements of both the federal and provincial governments. All necessary approvals from other regulatory agencies must be obtained prior to issuance of a development permit. Development permit conditions may include the requirement that all permits or licenses required by other regulatory agencies be obtained before development proceeds.

4.7 One Principal Building Permitted on a Site

4.7.1 Not more than one principal building shall be permitted on any one site except for:

- (1) Public utility uses;
- (2) Institutional uses;
- (3) Dwelling groups;
- (4) Commercial service centres;
- (5) Mobile homes and trailers within an approved Mobile Home Court or Trailer Court;
- (6) Staff accommodation; and
- (7) Ancillary uses as specifically provided for in this Bylaw.

4.8 Non-conforming Uses, Buildings and Sites

4.8.1 The provisions of Sections 88 to 93 of *The Act* shall apply to all non-conforming uses, buildings and sites.

4.8.2 No existing building, site or use shall be deemed to be non-conforming by reason only of the conversion from the Imperial System of Measurement to the International System of Units (S.I) where such nonconformity results solely from the conversion and is reasonably equivalent to the S.I. standard herein established.

4.9 Mobile Homes and Prefabricated Homes

4.9.1 Wherever a one-unit dwelling is allowed, it may be in the form of a double-wide prefabricated home but not in the form of mobile home or a single-wide prefabricated home.

4.9.2 Every mobile home shall bear CSA Z240 certification, or a replacement thereof, and shall be attached to a permanent foundation, or securely anchored to the ground and skirted, prior to occupancy.

4.9.3 Every prefabricated home shall bear CSA A277 certification, or a replacement thereof, and shall be attached to a permanent foundation.

4.10 Regulations for Signs and Billboards

4.10.1 Signs Located in Highway Sign Corridor

- (d) Development applications for all membrane covered structures, except for those structures proposed for temporary placement, must include a drawing stamped by a Professional Engineer to prove that the structure will meet Section 4 of *The National Building Code*.

(11) **Swimming Pools**

Private swimming pools, both indoor pools and outdoor pools shall be permitted in any Residential or Commercial Zoning District and in any zone where residential use is permitted. Indoor pools and outdoor pools including in ground pools and above ground pools in excess of 1 metre above finished grade shall be subject to the following conditions:

Bylaw 5-2015, 2015.08

(a) Outdoor Pools:

Bylaw 5-2015, 2015.08

- (i) Outdoor pools shall be enclosed within a fence a minimum of 1.8 metres in height located not less than 1.2 metres from the pool.
- (ii) Outdoor pools shall not be constructed closer than 1 metre to any site line. For the purpose of the foregoing, the distance to the site line shall be measured from the nearest edge of the outdoor pool.

Bylaw 6-2015

- (iii) No part of an outdoor pool including an associated apron or platform shall be constructed close to a street line than the front yard requirements for a principal building in the zoning district within which it is located.
- (b) Indoor pools shall conform with the building accessory requirements relevant to the zoning district in which they are located.

Bylaw 6-2016, 2016.07

4.13.12 Off Street Parking and Loading

- (1) No person shall erect, enlarge, or extend any building or structure permitted under this Bylaw, unless the required parking and loading spaces are provided and maintained in connection with the new, enlarged, or altered building or structure.
- (2) When the intensity of use of any building, structure, or premises is increased through the addition of dwelling units, floor area, seating capacity, or other specified units of measurement for required parking and loading facilities, parking and loading facilities as required by this Bylaw shall be provided for any increase in the intensity of use.
- (3) Wherever the existing use of a building or structure is changed to a new use, parking and loading facilities shall be provided as required for the new use, however, if the building or structure was erected prior to the effective date of this Bylaw, additional parking and loading facilities are mandatory only in the amount by which the requirements for the new use exceed the requirements for the existing use.
- (4) All required parking facilities shall be located on the same site as the principal building or use, with the exception of the **C1**, **C2** and **RF** Districts, where required parking spaces may be located on a remote site. In the **C1**, **C2** and **RF** Districts, remote parking may be approved where the remote site is within 150 metres of the principal building or use and where the remote site is located within the **C1**, **C2** or **RF** District.

Bylaw 5-2015, 2015.08

- (5) When the calculation of parking requirements results in a fractional required parking space, this fractional requirement shall be rounded up to the next whole number.
- (6) The minimum off street parking requirements for all Residential Districts are set out in Table 4-1.
- (7) The minimum off street parking requirements for all Commercial and Industrial Districts are set out in Table 4-2.
- (8) The minimum off street parking requirements for all other Districts are set out in Table 4-3.

4.13.13 Outfitter Base Camps and Tourism Base Camps

- (1) All outfitter base camps shall be located at least 305 metres from a dwelling unit that is not part of the operation.
- (2) All accommodation provided in conjunction with outfitter base camps and tourism base camps shall comply with The Public Health Act, and Regulations passed thereunder.
- (3) Council may establish standards limiting the total number of guests and guest rooms, and the location of buildings and accessory activities as a condition of issuing a discretionary use permit for outfitter base camps and tourism base camps. Any increase in the number of guests or guest rooms shall require a new discretionary approval.
- (4) Outfitter base camps and tourism base camps may be ancillary to a permitted agricultural operation and located on the same site.
- (5) A use that is established as an ancillary use to an agricultural operation shall cease to be permitted when the operator ceases to be resident on the site.

4.13.14 Staff Accommodation as a Principal Use

- (1) Staff accommodation as a principal use shall only be permitted to accommodate the staff of a hotel, motel, tourism base camp, outfitter base camp, tourist camp, golf course, institutional camp or retail / service commercial use on an adjoining site.
- (2) Council may apply conditions limiting the size of buildings and the total number of beds that will be provided in each building to ensure that the use remains sufficient only to accommodate the staff of a use specified in 4.13.14(1) above.

4.13.15 Shipping Containers

- (1) Shipping containers shall be prohibited in all districts, except as a discretionary accessory use in the **C1** – Resort Commercial, **RF** – Rural Forest, **M** – Industrial Districts and **IC** - Institutional Camp.
Bylaw 8-2017, 2017.08
- (2) All shipping containers must be sand blasted and repainted to a neutral color prior to their placement on a site.
- (3) When placed on a site, the shipping container must be situated above grade and adhere to applicable yard setbacks for accessory buildings in the district.

- (4) A shipping container must be screened by the placement of a fence with privacy slats around its periphery to a minimum height of 2.4 metres (8 feet).

4.13.16 Outdoor Recreational Storage Compounds

- (1) Outdoor recreational storage compounds shall be prohibited in all districts, except as a permitted use in the **C1** – Resort Commercial, **C2** – Retail and Service Commercial, **IC** – Institutional Camp, **RF** – Rural Forest and **M** – Industrial Districts.
- (2) Industrial type storage including outside storage of partially dismantled or inoperative motor vehicles is not permitted.
- (3) All outdoor recreational storage compounds shall be required to provide a treed buffer area 3.0 metres (9.8 ft) wide between the storage compound area and all site lines together with a fence to be constructed inside the required treed buffer to a minimum height of 2.4 metres (8 ft). Exceptions to this requirement are provided in (4) and (5) as follows.
- (4) A fence for an outdoor recreational storage compound adjacent to a residential zoning district shall be constructed of solid materials e.g. wood, stone, concrete brick or other similar material, to form a continuous visual obstruction.
- (5) A storage compound on a site in the **C1** District will not be required to provide a treed buffer provided that a fence of solid material is constructed surrounding the storage area to obstruct clear views into the compound from the exterior of the site.
- (6) Lighting of sites used for outdoor or indoor storage facilities shall conform to the standards of the International Dark Sky Association.

4.13.17 Kennels (Boarding or Breeding)

- (1) An outdoor area must be provided for animals to run free, without being chained, in an area enclosed by a fence which provides safety for the animals and neighbours to the satisfaction of Council.
- (2) Outdoor animal enclosures may not be located in front yards.

Bylaw 8-2016, 2016.08

4.13.18 Tattoo/Art Studio

- (1) A separate accessory building must be provided to provide a healthy, safe, impressive tattoo art for customers

Bylaw 1-2019, 2020.07

4.14 Permitted Yard Encroachments

- (1) The following are not considered encroachments and shall be considered part of the principal or accessory building and all applicable regulations will apply to it as it would to the principal or accessory building:
 - (a) any deck or floor area attached to a principal or accessory building that has a permanent roof structure and / or solid glass, or screen walls; and
 - (a) any private garage attached to a principal building.
 - (b) any part of a wall of a log building that is cantilevered and extends beyond the corner of the structure shall be considered to be a part of the main wall of the building and subject to the yard requirements for the applicable district.
- (2) The following yard encroachments shall be permitted in any required yard:
 - (a) steps 1.6 metres or less above grade level, as measured at the highest point of the steps, that are necessary for access to a permitted building or for access to a site from a street or lane;
 - (b) window sills, eaves, gutters, belt courses, pilasters or other similar vertical columns, cornices, bay windows, chimneys and similar non-structural alterations may project a distance of 0.6 metres from the building into any required yard, but not closer than 0.5 metres to a site line;
 - (c) raised patios, decks and sidewalks not more than 0.4 above grade level, as measured at the outside edge of the patio, deck or sidewalks;
 - (d) trees, shrubs, walkways, trellises or flag poles, so long as these fixtures do not extend into or over public land; and
 - (e) lighting fixtures and lamp posts.

- (3) Raised patios, decks and sidewalks less than 0.4 metres above grade, as measured from their outside edge, shall be permitted to encroach into required yards as follows:
- (a) rear yard - not closer than 1.5 metres to the rear site line.
 - (b) front yard – not closer than 1.5 metres to the front site line.
 - (c) side yard – not closer than 0.5 metres to the side site line.
- Bylaw 5-2015, 2015.08*
- (4) Canopies, balconies and porches shall be permitted to encroach 1.5 metres from a building into the required front or rear yard.

4.15 Fences and Retaining Walls

- (1) On any lakeshore site in any **R1, R2, R3, R4, RMU, or RTC** Residential District, no wall or fence shall be erected to a height of more than 2.0 metres above grade in a required front yard or on any site line adjacent to a required front yard, or more than 1.0 metres above grade in a required rear yard or any site line adjacent to a required rear yard. On any non-lakeshore site in any **R1, R2, R3, R4, RMU, or RTC** District, no wall or fence shall be erected to a height of more than 1.0 metres above grade in a required front yard, or any site line adjacent to a required front yard, or more than 2.0 metres above grade in a required rear yard or any site line adjacent to a required rear yard. (Refer to Figure 4-1)
- (2) In any **R1, R2, R3, R4, RMU or RTC** Residential District, no wall or fence shall be erected in a required side yard or on any site line adjacent to a required side yard to a height of more than 2.0 metres above grade. (Refer to Figure 4-1)
- (3) Subsections 4.15.1 and 4.15.2 do not apply in any other district except that in the case of a corner site, no wall, fence, retaining wall, screen, hedge or other structure shall be placed or maintained in a road intersection site triangle at a height greater than 1.0 m. (Refer to Figure 4-1)
- (4) A retaining wall shall be allowed on a site provided that its construction provides landscaping and earthwork which completely covers the structure so that it is not intrusively visible from outside the site. However, this requirement may not apply, at the discretion of the Development Officer, where warranted to satisfy engineering requirements for the proposed retaining wall due to topography of the site or other site conditions as demonstrated by the site development plan.

Bylaw 5-2015, 2015.08

- (5) In any zoning district, the use of railroad ties in the construction of a retaining wall or for general landscaping purposes shall be prohibited.
- (6) The construction of a retaining wall shall be undertaken in a manner to eliminate damage or disturbance to adjoining private or public land, to minimize the removal of natural vegetation and to prevent soil erosion.

Bylaw 5-2015, 2015.08

- (7) Except as required in Sections (1) and (2) above, in the **R1, R2, R3 R4, RMU, or RTC** Residential District, no fence shall be erected to a height of more than 2.0 meters above grade.

Bylaw 5-2015, 2015.08

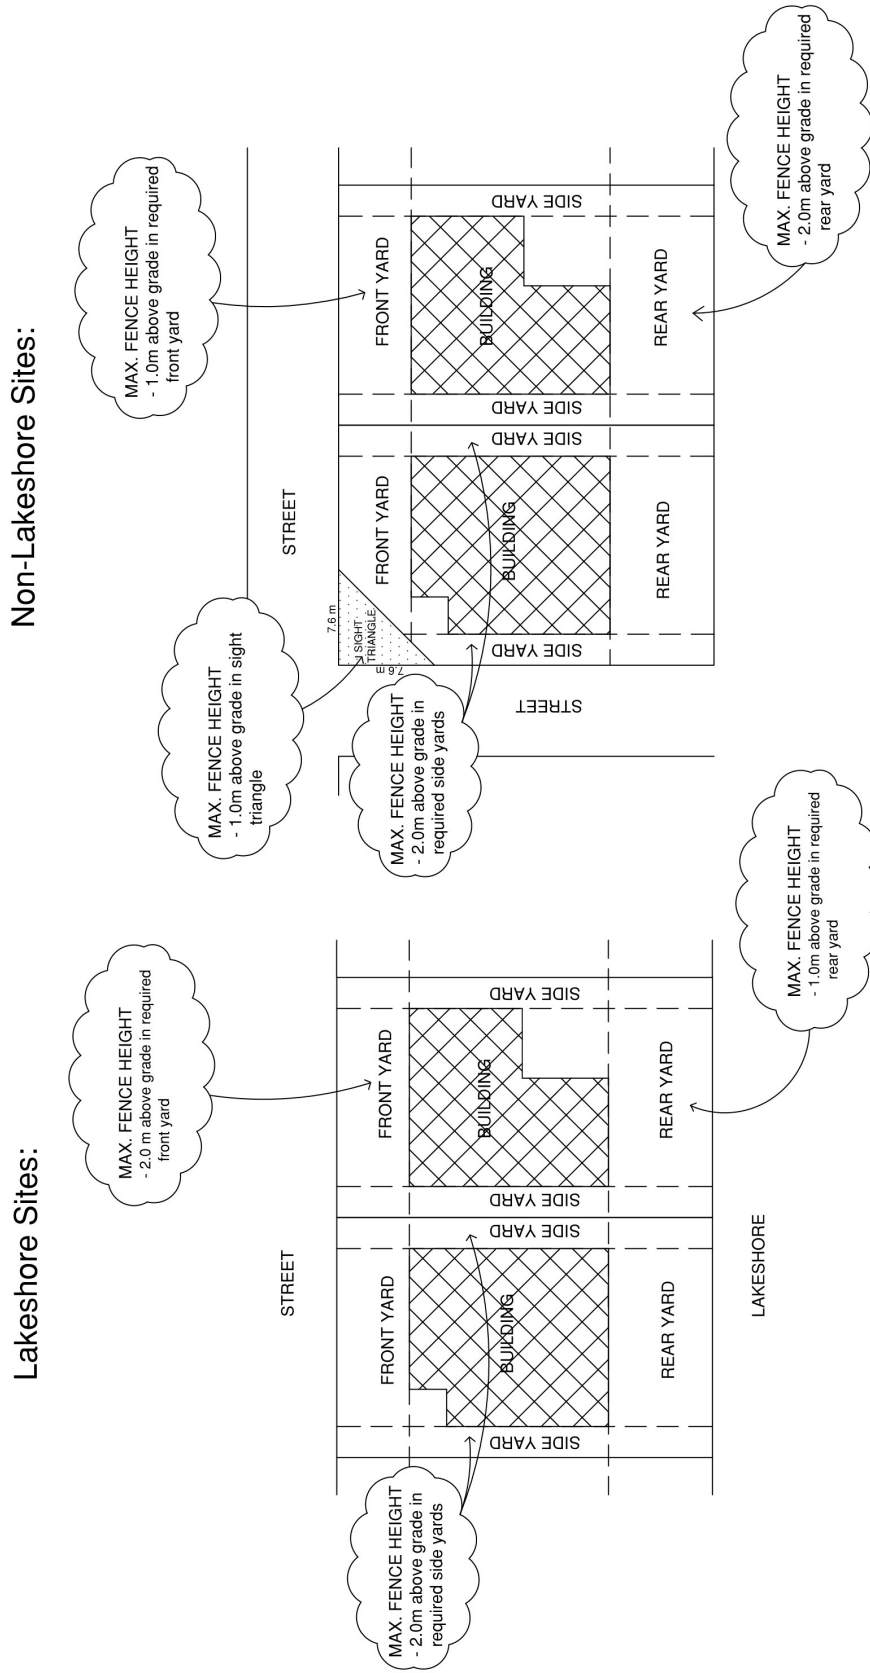

FIGURE 4-1: Fence Height

4.16 Landscaping and Tree Retention

Landscaping and Tree Retention Landscaping associated with residential, commercial and industrial development shall be provided in accordance with the following standards and regulations. The provisions of this section do not apply to the RS – Sunnyside Co-op Residential District.

Bylaw 5-2015, 2015.08

(1) Landscaping Plans – Residential and Commercial

Every application for a development permit for residential or commercial development is required by this bylaw to include a landscaping plan. Landscape plans for residential or commercial development shall clearly indicate soft and hard landscape elements and building site coverage as defined in this bylaw.

- (a) Soft landscaping features shall comprise a minimum of 30% of the total area of the site.
- (b) Building site coverage as specified in the regulations for the applicable residential or commercial zoning district.
- (c) The remainder of the site may be used for soft or hard landscaping features.

Bylaw 5-2015, 2015.08

(2) Landscaping Plans – Industrial

Landscaping plans shall provide for soft landscaping features in accordance with section 19.7 of this bylaw.

Bylaw 5-2015, 2015.08

(3) Retention of Existing or Natural Vegetation

(a) Trees on all residential, commercial and industrial sites in the municipality shall be retained in a neat and tidy condition. The clear cutting of trees from site is strictly prohibited. In instances where a residential building is moved to a new site in the municipality, the applicant shall demonstrate to the satisfaction of the Council that existing trees within the road right of way of the proposed transit route to the site will not be unduly affected but retained in their natural state.

(b) Existing Vegetation

- (i) The applicant of a proposed development shall conduct a preconstruction assessment of the existing vegetation to identify existing trees and mature plant communities, including understory vegetation, within development area and adjacent Road Right of Way.

- (ii) Existing trees and mature vegetation shall be retained where they do not conflict with site development or site grading.
- (iii) When there is reasonable belief that the construction of a proposed development may result in the removal or destruction of significant vegetation, the District shall require the submission of a landscape plan. Where appropriate, the landscape plan shall identify the extent and general description of vegetation to be removed and retained, and the location, species, quantity and size of vegetation to be planted, in addition to all other requirements for landscape plans contained in this Bylaw.
- (iv) Trees and shrubs to be retained shall be marked and suitably protected during construction with one or more of the following:
 - 1.1. installation of protective fencing to the full extent of branch spread;
 - 1.2. installation of protection around tree trunks to a minimum of 1500 mm height above grade;
 - 1.3. avoidance of excavation and other site work within the root zone of trees and shrubs; and
 - 1.4. no storage of materials, equipment or vehicles below branch spread or against tree trunks or branches.
- (v) Areas which, during construction, have been cleared of vegetation, or where vegetation has been damaged or destroyed, shall be re-landscaped at the discretion of the Development Officer.
- (vi) Any lost biomass shall be replaced with new plantings that, as they mature, will be of equal or greater qualitative and quantitative value to what has been lost. The planting shall be in the immediate area of the lost biomass wherever possible. If it cannot be replaced within the immediate area, the District will work with the applicant to identify an alternate location.

- (vii) Tree replacement shall conform to the following requirements:
 - 1.1 whenever a tree with minimum caliper of 300 mm diameter at chest height is removed, replace the tree at a 2;1 ratio (2 trees planted for every 1 tree removed); and
 - 1.2 replacement trees must have a minimum caliper of 30 mm in diameter at chest height or minimum #5 pot size for deciduous trees or 1000 mm height or minimum #4 pot size for coniferous trees;
 - (viii) Landscape construction shall be used where appropriate to soften the visual impact of buildings or structures, screen facilities such as outdoor storage areas, buffer or separate different uses, and integrate the landscape along waterways into the adjacent neighbourhoods.
 - (ix) Other jurisdictional approvals are the responsibility of the applicant.
- (c) Drainage and Slope Stability
- (i) A proposed development shall not result in adverse alteration of surface or subsurface drainage.
 - (ii) A proposed development shall not cause or contribute to instability of the slopes.
 - (iii) In the event of unexpected slope movement on, or in the vicinity of, the site on which the improvement is being constructed, the District may require work to be halted until such time as the Development Officer is satisfied that continued construction will not affect slope stability and the safety of the site or buildings and structures in the vicinity.
 - (iv) Other jurisdictional approvals are the responsibility of the applicant.

Bylaw 6 - 2016

4.17 Docks

Council may authorize the temporary placement of a dock attached to any dedicated environmental, public or municipal reserve pursuant to Section 194 of *the Act*.

4.18 Temporary Accommodation and Use

Nothing in this bylaw shall prevent the use of land, or the use of any building or structure for a construction camp, work camp or other building or structure incidental to and necessary for construction work on the premises but only so long as such use, building or structure is necessary for such construction work that is in progress and has not been abandoned. A development permit shall be required for proposed use by a property owner of a mobile home or trailer coach for temporary accommodation during the period of construction activity on a site. The effective period of a development permit for temporary occupancy may be extended by the development officer for an additional 12-month period upon the written request by the owner.

4.19 Prohibition of Species Breeding

The breeding of rats and other rodents and crickets and other insects is prohibited in all zoning districts in the municipality.

4.20 Corner Sites

Corner sites which are configured with a rounded corner at the intersection of the front and side site lines adjacent to the street shall be subject to a greater minimum front yard requirement in all residential zoning districts as follows:

- (1) 1.25 times the standard minimum front yard requirement applicable for the particular zoning district.

4.21 Walkout Basements

Where a dwelling has a walkout basement facing any yard other than a front yard or a flanking street, building height shall be determined as follows:

- (1) The maximum height of any building elevation facing a front yard or flanking street shall be a maximum of 10.5 m above grade level.
- (2) The height for the lowest floor of the building or walkout basement at the building elevation facing the rear yard shall not exceed 3.5 m measured from approved building grade to the top of the finished floor above the slab.
- (3) In addition, the total height of the building elevation facing the rear yard shall not exceed 14.0 m measured from approved building grade.

Bylaw 6-2016, 2016.07

4.22 Parking Pads and Garage Pads

Council may require the completion of a geotechnical study for parking pads and garage pads that are elevated and require retaining walls, in order to ensure slope stability and public safety.

Bylaw 6-2016, 2016.07

5. ZONING DISTRICTS

5.1 Classification of Zoning Districts

In order to carry out the purpose and provisions of this Bylaw, the Rural Municipality is divided into the following Zoning Districts, the boundaries of which are shown on the “**Zoning District Map**”. Such districts may be referred to by the appropriate symbols.

Districts	Symbols

Bylaw 5-2015, 2015.08

5.2 Zoning District Map

The map, bearing the statement “This is the Zoning District map referred to in Bylaw No. 17-2013” adopted by the District Municipality of Lakeland No. 521 and signed by the Reeve and Rural Municipal Administrator under the seal of the District Municipality shall be known as the “Zoning District Map” and such map is hereby declared to be an integral part of this Bylaw.

Bylaw 5-2015, 2015.08

5.3 Boundaries

The boundaries of all zoning districts are shown on the map entitled, "Zoning District Map" which is attached to, and forms a part of this Bylaw. Unless otherwise shown on the map the boundaries of the said districts are site lines, centre lines of streets, lanes, roads or such lines extended and the boundaries of the municipality.

5.4 Regulations

Regulations for the zoning districts are outlined in the following sections of this Bylaw.

5.5 Transitional Zoning Provisions

5.5.1 Former Permitted Uses - Now Discretionary

Land uses or developments in existence on a site that were listed as permitted uses under the Zoning Bylaw No. 7-2005, or any amendment thereto, but are now listed as discretionary uses under this Bylaw, shall be considered permitted uses; however, no alteration or enlargement of the land use or development shall take place without a discretionary use approval by Council.

Bylaw 5-2015, 2015.08

5.5.2 Existing Buildings

Buildings lawfully existing and conforming at the time of the approval of this Bylaw shall be limited in terms of site width and setback requirements, to the regulations of the zoning district in which they are located, or to their current dimensions, whichever is the least restrictive.

5.6 Properties with More than One Zoning District

Where a site or lot is divided into more than one zoning district, each portion of the site or lot shall be developed and used in accordance with the provisions of the applicable zoning district.

6. R1 - HIGH DENSITY RESIDENTIAL DISTRICT

6.1 Intent

The objective of this district is to accommodate existing, high density residential development and to provide for new small-lot, non-lake-oriented residential development and other compatible uses.

6.2 Permitted Uses

The following uses are permitted in the **R1** - High Density Residential District:

6.2.1 Residential uses:

- (1) single detached dwellings

6.2.2 Recreational uses:

- (1) public parks and public recreational facilities
- (2) nature trails and exhibits

6.2.3 Commercial uses:

- (1) home based businesses (refer to Section 4.13.1)

6.2.4 Other uses:

- (1) public works, not including offices, warehouses, storage yards and solid or liquid waste disposal facilities
- (2) historical and archaeological sites, and wildlife management and conservation areas

6.3 Discretionary Uses

The following uses are discretionary in the **R1** - High Density Residential District:

6.3.1 Commercial uses:

- (1) bed and breakfast homes
- (2) commercial marinas

6.3.2 Other uses:

- (1) schools
- (2) places of worship
- (3) community marinas

6.4 Accessory Buildings and Uses

- 6.4.1 Accessory buildings and uses shall be permitted and shall comply with Section 4.13.11 of this Bylaw.

6.5 Regulations

6.5.1 Site Requirements

The minimum site size and yard requirements are shown in Table 6-1.

6.5.2 Floor Areas

The minimum floor area requirements are shown in Table 6-1.

6.5.3 Site Coverage

The maximum site coverage requirements are shown in Table 6-1.

6.6 Standards for Discretionary Uses

In addition to other applicable regulations or standards contained in this Bylaw, the following shall apply to discretionary uses in the **R1** - High Density Residential District:

- 6.6.1 All discretionary uses shall maintain the residential character of the area as much as possible.
- 6.6.2 Off street parking spaces for schools and places of worship shall be located in a side or rear yard and be screened if they are adjacent to a site used for residential purposes.
- 6.6.3 Schools and places of worship shall, where possible, be located on corner sites to facilitate access.
- 6.6.4 Bed and Breakfast Homes shall comply with Section 4.13.5 of this Bylaw.

6.7 Exceptions to Development Standards

- 6.7.1 Where, on a corner site, a side yard of at least 6 metres is provided along the flanking street for a single detached dwelling, the minimum rear yard requirement is reduced to 1.5 metres.
- 6.7.2 Residential sites that lawfully existed prior to passing of this Bylaw that do not meet the minimum site frontage requirements outlined in Table 6-1, shall be deemed to be compliant with the minimum site frontage requirement in this Bylaw.

Notes:

- ⁽¹⁾ the development standards in Table 6-1 that apply to sites and single detached dwellings shall also apply to bare land units and single detached dwellings that are part of an approved bare land condominium except where a bare land condominium development accommodates existing dwellings, the minimum site area shall be 380 square metres and the minimum site frontage shall be 11.5 metres.
- ⁽²⁾ any principal building constructed prior to February 19, 1979 will be considered to conform to this requirement
- ⁽³⁾ notwithstanding ⁽²⁾, the prescribed rear yard requirement for a site with an intervening public reserve between it and the lakeshore may be reduced up to the established building line
- ⁽⁴⁾ the floor area of all principal and accessory buildings on a site shall not exceed the maximum site coverage
- ⁽⁵⁾ or ½ the side wall height, whichever is greater

7. R2 - MEDIUM DENSITY RESIDENTIAL DISTRICT

7.1 Intent

The objective of this district is to provide for medium density residential development and other compatible uses.

7.2 Permitted Uses

- 17.6.3 Forestry and forest management on non-provincial forest land shall comply with Section 4.13.9 of this Bylaw.
- 17.6.4 Forestry and forest management on non-provincial forest land including the selective cutting or removal of trees to maintain the natural, semi-wilderness condition of the forest will be permitted. Clearcutting of trees on non-provincial forest land is strictly prohibited.
- 17.6.5 Custodial care facilities and residential care facilities shall comply with Section 4.13.6 of this Bylaw.
- 17.6.6 Home based businesses shall comply with Section 4.13.1 of this Bylaw.
- 17.6.7 Solid and liquid waste disposal facilities shall comply with Section 4.13.4 of this Bylaw.
- 17.6.8 Mobile homes shall comply with Section 4.9 of this Bylaw.

- 17.6.9 All outside storage associated with any commercial use shall be fenced. Where the area abuts any Residential District without an intervening street or lane, the storage area shall be screened with a solid fence or hedge at least 1.8 metres in height.
- 17.6.10 Gas bars shall comply with Section 4.13.8 of this Bylaw.
- 17.6.11 Service stations shall comply with Section 4.13.7 of this Bylaw.
- 17.6.12 Staff accommodation as a principal use shall be subject to Section 4.13.14 of this Bylaw.
- 17.6.13 Staff accommodation as an accessory use shall be subject to Section 4.13.11 of this Bylaw.
- 17.6.14 The provisions of Section 17.6.9 do not apply to contractor's storage yards. All contractor's storage yards shall be required to provide a treed buffer area 3.0 metres (9.8 ft.) wide between the storage area and all other site lines together with a fence of solid material is constructed surrounding the storage area to obstruct clear views into the compound from the exterior of the site.

17.7 Exceptions to Development Standards

- 17.7.1 Where a site which existed prior to the passage of this Bylaw is within the **RF** - Rural Forest District and does not meet the minimum site area of 160,000 square metres, a permit will be issued upon receipt of an application for a single detached dwelling or mobile home, with an on-site liquid waste treatment and disposal approved pursuant to *The Public Health Act, 1994* and associated regulations, as administered by the Regional Health Authority, subject to the minimum yard requirements of the **RF** - Rural Forest District.
- 17.7.2 A reduced site area of 140,000 square metres will be permitted and a permit will be issued for a single detached dwelling or mobile home, with an on-site liquid waste treatment and disposal approved pursuant to *The Public Health Act, 1994* and associated regulations, as administered by the Regional Health Authority, where a registered road widening, irrigation canal, water body, permanent water course or public utility encroaches on a site that would otherwise meet the minimum site area requirement of 160,000 square metres, subject to the minimum yard requirements of the **RF** - Rural Forest District.

- 17.7.3 Where a site is created as a result of subdivision that severs two parcels of land that were “tied” together in the Land Titles Registry but are physically separated by a road on a registered road plan or a drainage ditch on a registered right-of-way, and where the two parcels continue to have legal and physical access, there shall be no minimum site area for a single detached dwelling or mobile home. Issuance of a development permit for a single detached dwelling or mobile home on such sites shall require approval of an on-site liquid waste treatment and disposal system pursuant to *The Public Health Act, 1994* and associated regulations, as administered by the Regional Health Authority, and shall be subject to the minimum yard requirements of the **RF** - Rural Forest District.
