

District of Lakeland No. 521

The District of Lakeland is looking at establishing a list of service providers to be used for miscellaneous projects throughout the municipality. The list of service providers will be used by all three departments: Administration, Protective Services and Public Works, when or where required. These departments will access the approved list for projects with an approximate value of \$10,000 or less. Projects may include the following:

- lawn / small brush & weed cutting
- garbage removal / clean up from properties
- Large brush / Tree removal
- building removal / demolition
- general labour
- pick up / removal of items from public property
- docking / boat lift removals
- hauling of material
- snow removal

We understand that you may not want to be considered for all projects. We would therefore request that identify area of interest and include the scope of duties you wish to be considered for. Please include in your expression of interest the following information:

- ✓ Company / Personal name and complete contact information (name/address/contact numbers)
- ✓ List of equipment, and costs for equipment – if any.
- ✓ Scope of duty, what work can you do.
- ✓ Any other information you feel may be relevant.

We kindly ask that proposals be hand-delivered to the Administration Office located at 48 – Main Street West, Christopher Lake during regular office hours, or by mailing your information to:

District of Lakeland
Box 27
Christopher Lake, SK S0J 0N0

You can also email information in to office@lakeland521.ca

Please submit your information on or before September 30, 2023.

Inquiries

Inquiries, interpretations, and questions regarding this request can be directed to the District of Lakeland by email at office@lakeland521.ca
